If grace is God giving us what we don't deserve, how have you experienced the blessings of God's grace in your life? Spend some time in prayer thanking and praising God for his grace.

Read either Daniel 3:8-30 or Acts 16:11-29. Discuss the grace that was enjoyed by each of God's followers in these stories and how God used that grace to expand his glory and kingdom. Contrast the grace and corresponding power of God the disciples experienced in these stories with the typical American church attendee?

Read 2 Timothy 3:1-5. Remember that this passage is describing church attendees. What make these times so terrible or perilous according to this passage?

If Go is a command and not a calling then what are some ways that God is directing you to Enjoy His Grace and Expand His Glory? How can you better lead your life, family, and use your resources to expand God's glory in the Temecula Valley and around the world?
