## Questions for Life Groups and Personal Reflection

### Faith.

What's your definition of faith? What do the following verses say about faith? Galatians 2:8; Hebrews 11:6; James 2:14-18. Do you think there are levels of faith? Explain. What is the relationship of work and faith? In what ways does the way you live reflect a life oriented around faith? What is "saving faith?"

### Love.

How would you define love? Compare John 13:34 & Matthew 5:46-47. When have you seen Christian love demonstrated in such a way? Have you ever seen Christians express love in a less than Christian manner? Under what circumstances is love more like "labor" to you?

### Hope.

What effect does hope have on your day-to-day life? Describe the ways your outlook on life is different when you're hopeful compared to hopeless? What distinction is there in a Christ-follower's hope compared to an unbeliever? Should Christians always be happy? What affects your hope levels?

### Core = Values + Action.

How inseparable are the core values of faith, hope and love from the actions of work, endurance and labor? Why? What negative consequences might come from allegedly possessing the inner values without the corresponding actions? What's the downside of attempting to act without the inner value?

### Core of Sunridge

What effect would authentic expressions of faith, hope and love have on Sunridge? If these core values were expressed by us, what effect would it have on our "notoriety?"
