God with us?

Read Matthew 1:21-23. Do you think we've grown too familiar with the idea that "God is with us?" Why? In what ways do you sense God's presence?

Knowing God personally?

Do you think it's possible for a person to "know God personally?" How would you describe knowing God to someone skeptical about that? What sources do we have that reveal God's character and personality to us?

"If you've seen me, you've seen the Father." --Jesus

(John 14:9; cf Hebrews 1:3)

What did Jesus mean by that statement? What can we conclude about God the Father based on Jesus? What differences (if any) do you see in Jesus' representation of God the Father, and the God of the Old Testament? How do you explain that?

"I am with you." --Jesus (Matthew 28:20)

What difference does God's presence make in how you adapt to change?

What's the big idea?
